Through the University of Florida

Landscape IPM: Ornamentals and Turf

Starting May 2013, take your first steps toward getting a certificate or becoming LMA certified! A new three credit course will be offered starting May 2013 at the University of Florida (UF). The course is called "[Landscape IPM: Ornamentals and Turf](#)" and is course number IPM 4254. This course will be offered for UF credit and will be available for students that are enrolled at UF or for people outside UF that are interested in the material. UF will offer the course this summer (2013) and it will be available 100% online. You must have computer and

internet access to take this class. This course is for UF juniors and seniors and landscape and pest management supervisors and owners.

This course will be used as a measure for LMA Certification. The LMA will offer students who pass this class (with an A or a B) the opportunity to become LMA Certified without additional testing since they will be tested as part of the course. This course will also count towards a UF Certificate in Landscape Pest Management. Learn more about the UF distance program, including costs and how to register-
