PMU Focus

A favorite PMU Instructor, **Mark H. Ruff**, proudly announces the opening of his own firm to better serve the needs of the pest management industry. You can contact him at:

Law Offices of Mark H. Ruff, P. A.

PH: 407-268-6677

Email: mark@mhrlaw.com

All of us at PMU congratulate him and look forward to his continued success and participation with us! Come and see Mark and our new Pest Management Learning Laboratory donated by DACS at our first Bed Bug Management class!

Our First Bed Bug Management 101 Class

Date: Aug. 19, 2011; Friday

Place: UF/IFAS Apopka MREC

Time: 8 AM- 5 PM

Registration will close on Aug. 14, 2011; Sunday.

This one-day class is will provide you the essential elements for controlling bed bugs, including inspection and detection techniques (canine demo!), chemical and non-chemical control options, and legal and insurance considerations for your business. Only \$150 for each participant. Download our **Registration Form**.

Be the first to check out the new Pest Management Learning Laboratory!

Joint FPMA-PMU Polycom

Date: Aug. 23, 2011; Tuesday

FPMA, County Extension and Pest Management University, and will present a **Facilities IPM Technician Training** broadcast from the Apopka Research and Education Center to 11 IFAS locations across the state including several local County Extension offices and Research and Education Centers. The cost of this 9 AM - 5 PM (EDT) training is only \$75 and includes training, booklets and lunch.

This partnership brings PMUs unique blend of hands-on training and lectures to convenient, nearby locations. Space is limited so register today with this **form**.

For additional information please contact Mandy Judd at FPMA Headquarters 800.426.4829 or **Mandyj@flpma.org**

Pest Guide Smart Phone App

The NPMA **Pest Guide app** provides users access to a comprehensive electronic pest database that allows users to search over 200 detailed descriptions of pests. In addition, the interactive Pest Guide allows users to enlarge pictures to show consumers, overlay multiple images and record a detailed history of findings per each account.

BROWSE OR SEARCH THRU OVER 200 PESTS. View detailed descriptions of pests by keywords in the Pest Guide to identify your pest along with prevention and control methods.

INTERACTIVE FORUMS. Submit questions, replies, photos and hold discussions with experts from the NPMA and fellow professionals in the Forum.

CALENDAR SYSTEM. Manage your appointments and upcoming events in the integrated calendar system.

COMPANION WEB SITE. By purchasing this application, you have access to the companion website, allowing you desktop access to the Pest Guide. Utilizing the companion website will give you the ability to upload photos that may only exist on your PC or Mac hard drive.

The app normally sells for \$39.99 and is now available to us at **\$29.99** for limited time. Get one for your iPad and iPhone users at Apple's App Store and at the Android Market for Droid users. Check now! **There is a sale going on and you will be able to get this app for a reduced price!**

Learn more from IFAS

- UF/IFAS has Extension Offices in each of Florida's sixty-seven counties. We also have twelve Research and Education Centers (RECs) and Research and Demonstration Sites (RDSs).
- If you need help a great place to start is your local County Extension Office. With an office located in every county it has never been easier to partner with the University of Florida and your local County Government. To find an office near you please visit:
