PMU Focus

Pest Management University Facilities IPM Training Polycom Broadcast: Thursday, March 22nd

Presented By

Based on the success of the first two Pest Management University Facilities IPM training and the popular demand for an additional date, another polycom broadcast of PMU Facilities IPM training is set for Thursday, March 22nd from the Apopka REC to IFAS extension locations to provide broad, statewide coverage. The registration form is available on the FPMA website [here](#).

Locations include:

Dade County Extension
Hillsborough County Extension
Brevard County Extension
Southwest Florida REC (Immokalee)
Ft. Pierce REC
Apopka MREC (broadcast site)

Classes will begin at 9:00am ET and end at 5:00pm ET; attendees can earn:

1. 5 hours of ID Card Holder Verifiable Training
2. 2 Hours Core/3 Hours GHP CEUs
3. 3 Hours Limited Structural CEUs
4. Certificate of Completion from Pest Management University

Space is limited at many IFAS county extension offices so register early!

Call 800-426-4829 for more information.

Foundations of Termite Management

CLASS IS FULL

Date: April 11-13, 2012; Wednesday – Friday

Place: UF/IFAS Apopka MREC

Time: 8 AM-5 PM (W, TH); 8:00-12:00 PM (F)

We are currently developing a waitlist for the April 11-13 Termite Foundations class.

Our next Foundations of Termite Management will be on:

Date: Sept 7-9, 2012; Wednesday – Friday

Place: UF/IFAS Apopka MREC

Time: 8 AM-5 PM (W, TH); 8:00-12:00 PM (F)

Cost: \$325 (if registered by April 30); \$350 after April 30

Our Master (Sept. 26-28) and Expert of Termite Management (Dec. 5-7) courses are also filling. If you register with payment by April 30, we will honor 2011 prices. After April 30, prices will increase.

Please contact us to hold a space for you!

Foundations of GHP

Date: May 2-4; Wednesday – Friday

Place: UF/IFAS Apopka MREC

Time: 8 AM-5 PM (W, TH); 8:00-12:00 PM (F)

Cost: \$325

Registration will close on April 27, 2012; Friday. (Note: Registration deadlines are earlier than most CEU classes because each class is tailored for the folks enrolled, so we require time to print the material that will be distributed for each class and gather supplies for the hands-on training.)

Registration Form

What do rodents, cockroaches and bed bugs have in common? They are all cryptobiotic! We cover these pests, ants, flies and more. This 2.5 day training includes biology, identification, inspection techniques, effective treatments strategies and regulatory updates.

PMU Reminders

Schedule changes and fees

Please check the website for an updated course dates. We have rescheduled a few classes offered during the second half of the year. In the next 3 months will be increasing the registration fees for our classes due to a tax that the University of Florida higher administration has levied on our programs, retroactive to August 2011. (We were notified in Sept or Oct 2011.) We have done our best to keep costs down and have not increased our rates since 2008. The final rate increase reflects the total increase due to the University tax alone.

After June 30, our

- 2.5-day courses will be \$350;
- 1-day courses will be \$165
- 1.5-day courses will \$210

After Sept 30, our rates will rise to:

- 2.5-day courses will be \$375;
- 1-day courses will be \$175
- 1.5-day courses will \$225

If you are already registered for a course after June 30, we will honor our existing rate. If you plan to attend a PMU class this year and would like to

secure a slot at the current rates, register with payment by April 30, 2012. As always, we appreciate your support of PMU!
